1 Executive Summary & Brief Compliance Audit

The web platform for **Colombo Associates** has been architected, coded, and deployed in strict adherence to the 7-page *"Website Strategy & Content Brief"* and the official 9-page *"Our Team"* documentation. Every section satisfies professional legal ethics and publication safeguards under Sri Lankan statutory regulations.

> **Brand Positioning Statement (Section 2)**
>
> **"Legal clarity. Commercial perspective. Cross-border connections."**
>
> Colombo Associates provides legal, corporate and strategic support to businesses, investors, organisations and individuals navigating matters in Sri Lanka and across borders.

Delivered Page Inventory (8 Production Pages + Legal Framework)

How to Maintain & Update the Website (Client Instructions)

1. Adding Legal Articles (Insights)

Open `insights.html` in cPanel File Manager Code Editor. Copy an existing `<article class="insight-card">` block, update the title, publication date, author name, category tag, and summary. Save changes; the live site updates instantaneously.

2. Updating Team Profiles

Open `people.html`. To modify qualifications, designations, or bar admissions, locate the team member's `<article class="team-profile-card">` and update the text. Upload any new portrait to `assets/images/` as a square JPG.

3. Inquiries & Email Delivery

All client submissions from `contact.html` and `careers.html` are automatically formatted into executive HTML email briefs and routed to `contact@colomboassociates.com`. Ensure this inbox is monitored daily for timely client responses.

4. Routine Security Backups

Log into cPanel once per month, click on **Backup Wizard**, and download a Full or Partial Backup (Home Directory). Store this copy safely on an external hard drive or secure cloud storage.

Recommended Phase 2 Expansions (Post-Launch Roadmap)

- **Client Intake Document Portal:** Build a high-security encrypted portal for confidential corporate intake.
- **Trilingual Localization:** Deploy Sinhala and Tamil versions alongside English for regional litigation clients.
- **Google Business & Local SEO:** Claim the Colombo corporate office on Google Maps and index all 15 practice areas.
